8 N. Main St.  
Jeffersonville, OH 43128**

**April 14, 2023**

**Dear Village Residents,**

**On April 13, 2023, the Village Council voted to increase the sewer rate by a flat fee of \$15.00 a month, and for usage over the minimum amount of 2000 gallons to increase by 28 percent, which is an increase of \$0.84 per 1000 gallons over the first 2000 gallons used. The increases will be effective for May services which will be billed in June.**

**Operating expenses have increased due to the price of supplies, materials and treatment costs as well as infiltration of ground water through aged sewer lines. The Village Council is committed to managing those costs and staying efficient while still maintaining a sustainable future.**

**If you need financial assistance, please contact Chelle at the Village Office.**

**If you have any questions about the rate changes, please contact:**
